## 76.8V206Ah-Forklift Battery System

### Product Parameters

Battery type	LFP	Rated charge/ discharge current (A)	206
Battery system grouping	1P24S	Recommended SOC operating range	5%~95%
Method Rated voltage (V)	76.8	Cooling method	Natural cooling
Rated power(kwh)	15.8	Protection level	IP65
Weight (kg)	132±7	Operating temperature range	-40~65°C
Voltage range(v)	60~87.6	Dimensions(mm)	690*600*397

## Heavy truck standard C Cabinet

### Product Parameters

Battery type	LFP	Rated charge/ discharge current (A)	206
Battery system grouping	1P48S	Recommended SOC operating range	5%~95%
Method Rated voltage (V)	153.6	Cooling method	Natural cooling
Rated power(kwh)	31.64	Protection level	IP68
Weight (kg)	215±6.5	Operating temperature range	-40~65°C
Voltage range(v)	120~175.2	Dimensions(mm)	1060*630*245
